LUXURY BED LINEN

ORIENTAL LUXURY BED LINEN

Luxury is a good night's sleep in bed linen that feels soft and crisp on your body. Oriental nights have inspired our collection of bed linen in our beloved Big Paisley block print pattern. Colours are classic white and subtle shades of blue and beige.

We have taken great care to select the best quality, design and details that give you dreams of oriental nights under the stars. Our complete collection includes duvets, pillow cases, decor pillows and flat sheets with design and stitching details to complete your feeling of luxury.

**For us it is sharing our passion for
oriental nights.**

QUALITY AND CARE

We use a high-quality cotton percale in our Oriental Luxury bed linen to give you that soft, crispy feel when you snuggle down under your duvet. Percale is a strong weave very often used by hotels for its high quality and feel. All our percale bed linen is made of long combed 100% cotton fibres with a thread count (TC) of 300. The higher the thread count the better the quality.

OEKO-TEX CERTIFIED COTTON AND PRODUCTION

As always in Chamois we use old Indian textile techniques. Our bed linen is hand-printed using screen techniques, taking great care to retain colour fastness. All our bed linen can be machine washed at 60 degrees. We recommend liquid detergent for coloured laundry and no bleach.

- **100% COMBED COTTON**
- **PERCALE QUALITY**
- **300 TC**

COLOURS: Beige Dove, Blue Dawn and White.
All our bed linen products come with our classic logo embroidered and rubber buttons with our logo.
