COLLECTON AW 18/19

FAIRYTALE

FAIRYTALE

I am happy to present Fairytale Chamois AW 2018/19 collection! An elegant line of textiles with beautiful textures and new patterns printed on natural colored linen with a soft feel. The inspiration for this collection came from the mystic Scandinavian forest and mythology.

Since I was a child, I have been fascinated by the painter and illustrator John Albert Bauer (1882-1918). His unique illustrations to a series of books called "Among Fairies and Gnomes" made a big impression on me and has been a constant source for inspiration. For me a Fairytale. I hope you will enjoy it as much as I do.
