PRESENTING Lifestyle Collection

Clothes that make women feel comfortable,
beautiful and elegant.

I am delighted to present Chamois Lifestyle. A collection of dresses, kaftans and blouses that are effortless to wear. We want women of different ages, shapes and sizes to feel elegant and magnetic in comfortable garments that show off their unique style. All garments have been carefully crafted over the last years with attention to detail and fit.

We want the collection to communicate the lifestyle of Chamois. Living in the countryside and close to the beach I have grown to love a style that is both casual and elegant. I have also been inspired by my travels to India and the women I meet there, both the style savvy western travelers and the graceful Indian ladies.

All garments are made of high-quality natural cotton fabric with our signature handprinted patterns. Ever since I started Chamois we have made textile collections out of our appreciation for beautiful variations in color and patterns. Our patterns are printed by skilled Indian artisans, using the ancient art of woodblock printing by hand, a craft that has been passed down for generations.

We hope this collection of comfortable and elegant garments with beautiful prints will be appreciated by both our existing and new customers. Together we share the joy of well worked through designs and high quality fabrics, as well as an elegant playfulness with patterns and colors.

LIFESTYLE

*Clothes that are easy to wear,
comfortable and make women in all
shapes and sizes feel elegant and
beautiful.*

Our passion is creating unique expressions with elegant combinations of colors and patterns.

For the Lifestyle collection we bring forth two of our traditional prints - Small Flower and Priya, as well as several new prints developed especially to fit clothing. We have played with combinations of our classic colors - Cashmere Blue, Navy Blue, Fuchsia Rose and Light Brown.

*We want women
in all ages to
feel beautiful
and elegant in
comfortable
garments.*

The garments have been carefully crafted over the last years with attention to detail and fit. We wanted a collection of classic styles that will last, with a loose fit, elegant fall and a feminine feel to them.
